

# DFW01B LOW-COST CAPACITY ON YOUR TERMS AND TIMELINES.

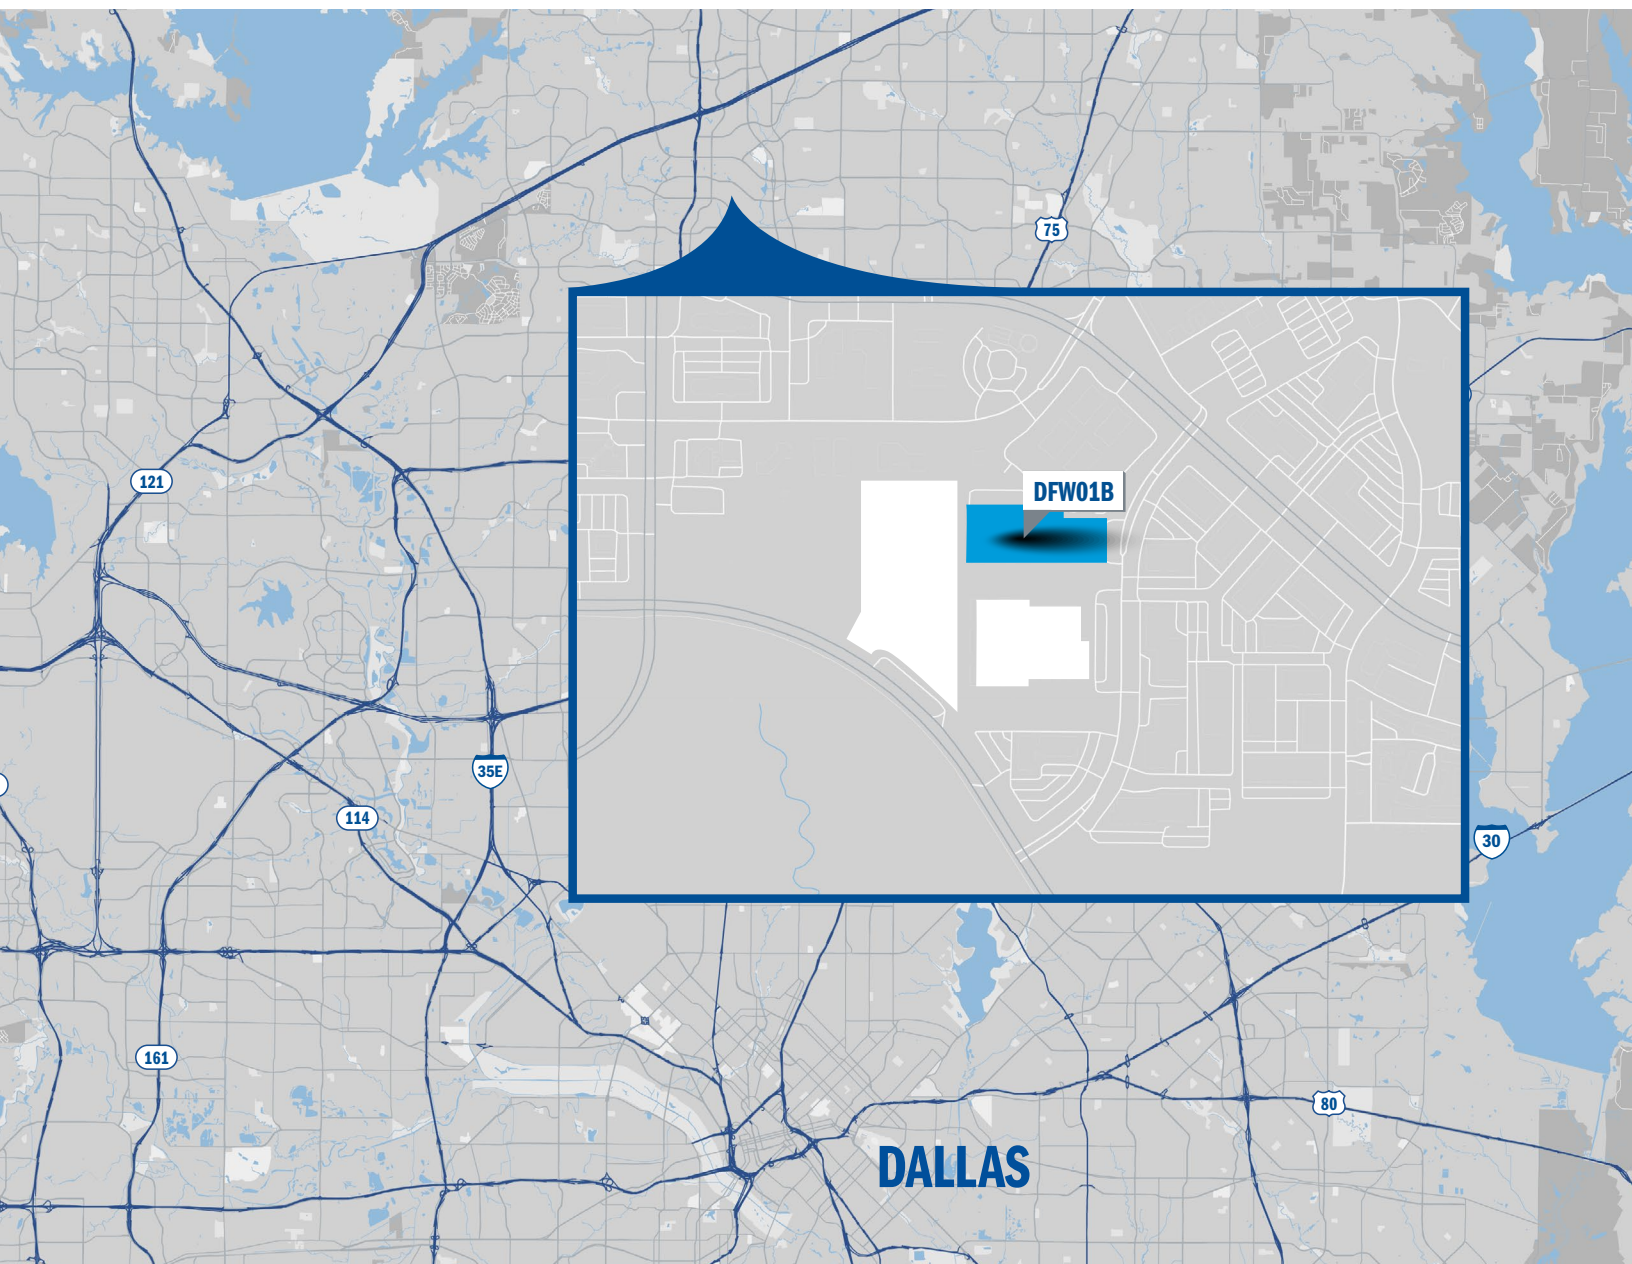

Take advantage of up to 12MW available now.

The world runs on data. Data runs on STACK. | [sales@stackinfra.com](mailto:sales@stackinfra.com)

**Sometimes growth happens fast. Luckily, capacity can happen even faster.**

DFW01B is STACK's private data center experience at a fraction of the cost. This customizable single-user data center offers ready capacity on one of north Texas's most connected campuses. You'll get the tax abatements in this data-center-friendly market along with the ultimate control of a mission-ready powered shell. And that's all with the access to power, connectivity, and great pricing that STACK is known for.
