**STACK CSO to Present on the State of the Market at CAPRE'S Eighth Annual Northern California Data Center & Cloud Infrastructure Summit**

[STACK INFRASTRUCTURE](#), the data center company built from the ground up to address the technology infrastructure needs of rapidly scaling enterprises and hyperscale companies, announces today that its Chief Strategy Officer, Matt VanderZanden, will participate on a panel at [CAPRE'S Eighth Annual Northern California Data Center & Cloud Infrastructure Summit](#) taking place February 25-26, 2019 in San Francisco, CA.

**On Tuesday, February 26**, Mr. VanderZanden will take part in a panel titled, "*NorCal Leadership Panel: Developers & Investors to Discuss State of the Market, Challenges & Obstacles in 2019.*" This panel will discuss each company's performance in 2018, their views of the challenges in 2019 for operating data centers and how they are building their business plans to accommodate the 3-year data center forecast. Mr. VanderZanden's insights will focus on STACK's comprehensive suite of wholesale colocation, build-to-suit, and powered shell solutions that are in six markets today, including Silicon Valley.

**PANEL:** "*NorCal Leadership Panel: Developers & Investors to Discuss State of the Market, Challenges & Obstacles in 2019*"
