HEROES OF THE SEA

HEROES OF THE SEA

**20TH ANNUAL
FUNDRAISER & SALMON DERBY**

2022 HEROES OF THE SEA FUNDRAISER & SALMON FISHING DERBY Benefiting the United States Coast Guard

STACK Infrastructure's 20th annual Heroes of the Sea Fundraiser and Salmon Fishing Derby returns to Astoria, Oregon for its continued commitment to supporting the veteran community. In this charity fishing tournament, individually sponsored derby boats are outfitted with anglers, gear, and competitive spirit. The goal of each boat is to bring in the largest salmon yield in a full day of fishing, while the overall goal of the two-day charity event is to raise funds to benefit the Pacific Northwest Chief Warrant Officers Association (CWOA), a not-for-profit, community-based organization representing active duty, reservist, and retired Chief Warrant Officers of the U.S. Coast Guard since 1929.

STACK is proud to partner with the Pacific Northwest CWOA of the U.S. Coast Guard to support local communities and veterans' causes throughout the country. The Coast Guard District 13 protects the gateway to the North Pacific and Alaska. The region represents one of the largest districts in terms of geographical area, covering four states in the Pacific Northwest and spanning over 4,400 miles of shoreline. Under the District's jurisdiction is the Columbia River, a challenging maritime environment and the third largest grain exporting center in the world. Along the river's banks, just two hours west of STACK's Portland data centers, lies Astoria, home to one of 24 Coast Guard Air Stations in the U.S. and a popular port for some of the nation's best salmon fishing.

The data center industry deeply values veterans, whose integrity, problem-solving, and tenacity are ideally suited for the mission critical operations of a data center. STACK Americas itself actively cultivates a diverse workforce, with a particular focus on veterans. Within its Critical Operations department, STACK has an incredible 57% representation from the veteran community. STACK's long-standing partnership with CWOA further recognizes and enables veterans through community outreach.

**THE HEROES OF THE SEA SALMON DERBY
DONATIONS HELP STRENGTHEN THE CWOA'S
CAUSES TO EMPOWER THE SERVICE
MEMBERS AND THEIR LOVED ONES**

ADVOCACY

The CWOA is one of only two Coast Guard-based associations represented by The Military Coalition, a group of 35 military, veterans, and uniformed services organizations representing the interests of the entire uniformed services community, including members' families and survivors.

EDUCATIONAL ASSISTANCE

The CWOA provides opportunities for educational and career development for its members and their families as well as scholarship programs for dependents.

LEGAL ASSISTANCE

The CWOA supports its members with legal guidance.

The CWOA's community development aligns with STACK's commitment to the well-being of our employees, partners, clients, and the surrounding communities in which we live and operate.

For two decades, STACK and its colleagues have journeyed to this Coast Guard city to participate in prime sport fishing and support the veterans and local communities that make STACK's data centers thrive. Please join STACK and the Pacific Northwest CWOA for the 20th annual Heroes of the Sea Fundraiser and Salmon Fishing Derby and help give back to those who serve.
